Resilient Discipleship Philosophy

brite* Curriculum is built on a proven philosophy called, Resilient Discipleship. Resilient Discipleship is the process of a Christ follower committing meaningful, intentional, and consistent time and space youth so that they may know who Jesus is and are known by a body of believers (Belong), to place their faith in Jesus and apply the Word of God (Believe), and to reproduce their own discipleship (Become) so that a third spiritual generation can lead and love like Jesus Christ.

The foundation for spiritual resilience is Belong, Believe, Become.

▼ BELIEVE
